

elipson® | Classic **SUB 8**

POWERED SUBWOOFER - BASS REFLEX LOAD

The Elipson Classic Sub 8 is the ideal solution for those looking for high-quality sound without compromising on space in their home.

The youngest member of the new "Classic Sub" range, this active subwoofer combines discretion and performance. Equipped with a 8" fibreglass speaker and 150 W amplification, it brings the missing depth to your music and films with exemplary responsiveness.

A perfect first step into the world of high fidelity and home cinema by Elipson.
