

**CT51-LX01**  
**Lexus IS200 Active Sytem Adapter**  
**(Suitable for Sport and SE models only)**

*This adapter allows an aftermarket head unit to be installed, whilst maintaing the factory fit amplified system. The adapter has been to designed to match the correct impedance of the vehicles speaker system.*

*1. Locate the amplifier. This is situated to the left hand side of the glovebox (see below)*

*2. Remove the larger of the two plugs from the amplifier*

*3. Plug this lead into the adapter*

*4. Run the lead above the glovebox to the aftermarket head unit*

*5. Plug the lead into the aftermarket head unit*

*Power is automatically picked up from the Lexus loom once the plug is connected.*
